Diffusion (Models) Networks		X							X									X		
Ensemble Learning			X					X												X
Graph Cut methods for automatic clustering	X				X															X
LSTM Long Short-Term Memory						X							X				X			
NAS: Neural Architecture Search		X				X			X											
Neural Radiance Field (NeRF) Networks				X			X									X				
Physics aware neural networks or physics driven machine learning								X				X	X							
Recurrent Neural Networks (RNNs)				X							X				X					
Robust PCA (Principal Component Analysis)	X		X														X			
Semantic and Panoptic Segmentation of images					X									X		X				
Transformer Neural Networks							X			X					X					X
YOLO: You Only Look Once										X	X			X				X		
Zero-shot and Few-shot learning												X			X					X
